Re: Postmarked Outside of Window

CC: 02-6

Form Identifier: FMR07-08
Form 471 Application Number: 587287
Form 471 Application Number: 587285
Billed Entity Number: 121160

I am writing this letter of appeal in response to the Form 471 being postmarked outside of the window. I had received my letter of notification for Form 470 and it was dated: January 18, 2007. I mistakenly used this date to count the required wait length by SLD of 28 days between the filing of Form 470 and 471 in order to allow for vendors to submit their proposals.

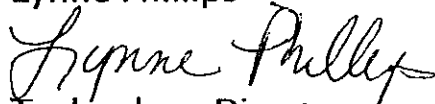

When going online to submit the Form 471, 28 days later it stated that the window had closed on February 8, 2007. I called and spoke with John, case #21-545617 and explained what had happened. I was told I would still have a good chance of receiving funding. I immediately sent my application, hardcopy as the electronic submission closed, and it was received by SLD on February 13, 2007, five days after the window had closed.

This was the first year I have done eRate on my own, and followed all steps including, updating Technology Plan, Form 486, meeting with Vendors and filing the Form 470.

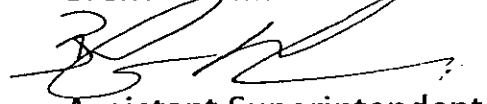

Please consider this appeal and contact me if I can be of further assistance in this matter.

Sincerely,

Lynne Phillips
